

**Statement made by Chair Nichols in response to a comment at the June 28, 2018
Board Hearing**

Chair Nichols will address the comment in her Personal Agenda Statement with the following:

A comment was received on this item during the public comment period. The commenter was concerned that this regulation might later be amended without its own independent public process if it is submitted into the SIP. That is not the case, any future amendment of this regulation would receive its own independent public process. Having clarified this point, we are proceeding with this item on the consent calendar.
